DISCIPLINARY PROCEEDING NO. 5-94

Supreme Court, Disciplinary Tribunal  
Republic of Palau

Dismissal order  
Decided: January 9, 1995

Disciplinary Counsel: John Eichhorst

The Disciplinary Tribunal has reviewed the Disciplinary Counsel's Report and agrees with his conclusion that Respondent's violation of Model Rule 4.2 was de minimis and that the complaint against him should therefore be, and is, DISMISSED. Respondent is cautioned to abide by the plain language of Rule 4.2, and to communicate with an opposing party only after obtaining the consent of that party's lawyer.
